This is achieved with the help of our highly experienced GCC trainers.

With a 93% success rate, **Venture International** will prepare you to be confident in taking your PMP exam by providing training resources and immediate post-session ability to apply concepts learnt throughout the course.

## Why earn the PMP Certification?

PMP certification is designed by project professionals, for project professionals and validates that you are among the best.

**90M**

Project management-oriented employees currently in projectized industries across the world.

**25M**

New project management-oriented employees needed to meet global talent demands by 2030.

**12M**

New employees driven by expansion and 13 million driven by retirements.

**16%**

Higher income.

### The PMP adds value

- CIO magazine ranked the PMP as the top project management certification in North America because it demonstrates you have the specific skills employers seek, dedication to excellence and the capacity to perform at the highest levels.

### The PMP delivers benefits

- The median salary for project professionals is 16% higher globally (and 32% higher in the United States) than those without it.

### The PMP proves you work smarter

- It shows you have the skills to drive business results and increase your organization's impact in the office and around the world.

## Eligibility

To obtain PMP certification, a project manager must meet certain requirements and then pass a 180-question exam. The PMP exam was created by project leaders for project leaders, so each test question can be related to real-life project management experiences.

## Requirements

Four-Year Degree

36 months of experience leading projects within the past eight years

35 hours of project management education/training or CAPM® certification

High School Diploma or Associates Degree

60 months of experience leading projects within the past eight years

Directors

Project Managers

Project Executives

Business Analyst

An interested candidate with a bachelors' degree and 4 years of experience

Who can take this course

# About the PMP Exam

# 1

PMP exam has evolved to meet today's demands of the profession, organizations, and you. According to PMI, the PMP exam focuses on three domains you need to gain a competitive edge and prove you work smarter:

- PEOPLE – emphasizing the soft skills you need to effectively lead a project team in today's changing environment.
- PROCESS – reinforcing the technical aspects of successfully managing projects.
- BUSINESS ENVIRONMENT – highlighting the connection between projects and organizational strategy.

# 2

The content that spans the value delivery spectrum, including predictive, agile and hybrid approaches, will be included across these three exam domains.

# 4

## PMI Exam Fee:

Member: \$405.00  
Non-Member: \$555.00

# 3

The exam is comprised of:

- 180 questions (the previous exam was 200), but the same number of questions will be scored.
- 230 minutes to complete the exam.
- One additional break for a total of two 10-minute breaks for computer-based tests. No scheduled breaks for paper-based exams.
- Questions will be a combination of multiple-choice, multiple responses, matching, hot area, and limited fill-in-the-blank. See prototype questions to learn more.
